- Notification of Acceptance: **8th February 2008**

Venue: Medialab Prado, Madrid (C/ Alameda, 15 · 28014 Madrid)

Purpose of the call

The purpose of this call is the selection of theoretical and research papers around the subject matter of the **2nd Inclusiva-net Meeting**, for their public presentation during the event. Descriptive and analytical studies on already finished art projects will also be considered. The open call is aimed at researchers, curators, artists, educators and any other professionals in any field related to the core topics of the meeting.

Rules for participants

Anyone interested in participating in this call must send a summary of their research and a brief curriculum vitae via the application form published in www.inclusiva-net.org. For a better evaluation of the applications, we recommend to send the complete text in addition to the summary.

Proposals may be presented as an individual or as a group. Each participant or team may present as many papers as they wish.

Only texts written in Spanish, English or any other co-official language in the state of Spain will be admitted.

Application deadline

The application deadline is 30th January 2008.

Selection process

Selected papers will be announced on the 8th February 2008.

Valuation criteria

- Adequacy of the research to the core topics of this second Inclusiva-net meeting.
- Current status of the research process.
